

MIDROC Investment Group, a distinguished and multifaceted global business conglomerate, under the visionary ownership of the esteemed Sheikh Mohammed Hussein Ali Al-Amoudi. Guided by the strategic leadership of CEO Mr. Jemal Ahmed, the Group was officially formed in 2020 after the successful co-founding of Horizon Plantations PLC and the subsequent integration of various prominent enterprises under the MIDROC umbrella.

With a clear commitment to global excellence, MIDROC Investment Group currently oversees an expansive and diversified portfolio, with operations spanning several vital industries. These include Agriculture, Manufacturing, Mining, and essential services such as Hospitality. The Group's global vision also extends to substantial investments in Construction and Real Estate, as well as Commerce, fostering a robust and sustainable ecosystem across regions.

A key element of MIDROC's strategy is the optimization of supply chains, which has led to the establishment of a network of supermarkets aimed at reducing distribution costs and ensuring consumers gain direct access to high-quality agricultural and factory-produced goods at fair prices. This initiative demonstrates our commitment to making essential products more accessible while maintaining an unwavering focus on cost-efficiency and consumer benefit.

MIDROC Investment Group remains persistent in its mission to contribute meaningfully to economic development, create long-term job opportunities, and drive innovation. We are dedicated to fostering sustainable growth that benefits both local communities and international markets.
